- :Type: FITNESS ACCESSORIES
- :Diameter: 75cm
- :Dimensions: Fully Inflated Height: 30"
- :Colors: BLUE
- :Other Information: Improves Balance, Improves Stability, Increase Flexinility, Enhance Core Strength: Incorporating a gym ball into your workouts is an excellent way to engage your core muscles. Whether you're doing crunches, planks, or bridges, the instability of the ball forces your core to work harder, leading to better core strength and stability. | Balance And Stability: The 55cm,65cm, and 75cm Gym Balls challenge your balance and stability, helping you improve your posture and reduce the risk of injury. Balancing on the ball during exercises like squats and lunges can be both fun and beneficial. | Flexible Workouts: This gym ball is incredibly flexible. You can use it for a wide variety of exercises, including stretching, yoga, Pilates, and strength training. It's a fantastic addition to any home workout routine. | Suitable For All Fitness Levels: Whether you're a beginner just starting your fitness journey or an experienced athlete, the 55cm,65cm, and 75cm Gym Balls can be tailored to your fitness level. You can adjust the difficulty of exercises by inflating or deflating the ball to the desired firmness. | Durable and Safe: Our gym ball is made from high-quality, anti-burst material, ensuring your safety during workouts. Even if it gets punctured, it won't burst but rather deflate slowly, reducing the risk of accidents.
