

# Starlink Standard Wall Mount

Model No: STARLINK-STD-WAL-MT

## STANDARD WALL MOUNT

The Starlink Standard Wall Mount is designed for installation on an exterior wall near the top of the gable or fascia. This wall mount can accommodate a 4" overhang maximum and offers a secure, long-reaching platform to optimize the placement of your Starlink for the best connectivity and performance.

Crafted from durable, weather-resistant materials, the mount ensures a sturdy and enduring foundation for your Starlink, capable of withstanding various environmental conditions. Its elongated design allows for greater flexibility in positioning, enabling easy alignment and adjustment to maximize signal reception.

Easy to install and adjust, the wall mount comes with all necessary hardware and instructions, simplifying the setup process for a hassle-free experience.
